## 5<sup>th</sup> South African Masters Games 2006

SAMSA, in conjunction with its partners Nelson Mandela Bay Metro and Tourism, are in the process of compiling the Games Flyers and the eventual Information Brochure. In order to include all relevant information to be distributed to every possible master participant, we need the Sport Codes' guidelines when compiling the final events programme.

Information to hand as confirmed by the organisers:

- **VENUES:** For all sport codes listed, are available.
- **DATES:** 27 April to 1 May 2006 for participation (total 5 days).
- **ACCOMMODATION:** Best rates and online booking will be available along with list of hotels / guest houses / apartments.
- **TRANSPORT:** Public and Special transport to venues will be available.
- **LOCAL CO-ORDINATORS:** For each sport code to be appointed by organisers or by national codes, as requested.

SAMSA and partners envisage to stage the biggest SA Masters Games held to date. The full page advert we obtained in the World Games Souvenir Programme might well draw many overseas entries.

We further trust that your code will give its full support in the distribution of all Games information to every member of your sport.

The following information is **NOW** needed from your code for inclusion in the advertising and printing material:

1. **Name of Sport Code**, Contact person, Email, Fax, Telephone, Cell, Postal address

---

---

2. **Dates** for your Sport's events at the SA Masters Games

---

---

3. **Local Co-ordinator** (Code's choice) – Contact person, Telephone, Cell, Email, Fax

---

---

4. **Code's suggested programme** - Attach programme if necessary

---

5. **Name your Code's coming events for 2005**, venues and dates (SAMSA to supply printed material for distribution)

---

---

6. **Please supply SAMSA with Provincial / Regional membership lists** for distribution of Games information (Positive response received from many codes), Code's outstanding information - POSSIBLE or NOT POSSIBLE (Please advise).

Please return the above information to SAMSA by email or fax **NOT LATER THAN 30 MAY 2005** (the local organisers and co-ordinators will continue with arrangements should codes fail to respond).
